

PROF. DR. FREUD

Semmering

WIEN IX., BERGGASSE 19

Villa Schöller

Aug. 31st 1926

Dear Dr. Jackson

You are right in presuming
that I am keeping off
visitors - especially from
America. But there is
something in your letter
which makes me invite
you to call on me.

I am living here on a
mountain 2 1/2 hours from
Vienna by railway. If you
arrive in Vienna try
telephonic connection
with Semmering No. 79
as I may be absent by
chance.

Yours sincerely
Freud
